

Lake Run Club Meeting Minutes June 6, 2017.

Kirby Cheek, Julie Whittenburg and Seanan AlYasiri attended.

Lake Run - race day online registration was cumbersome, suggest paper applications for next year. Also suggest paper applications be available on race day for park to park.

Lake Run awards ceremony was efficient and was well received. The awards started before many were into the beer garden. Eric sharing on screen was really nice. The non age group awards were easy to distribute.

Lake Run donation needs to be delivered to the beneficiary. Julie will email the contact and mention it's on the way.

LRC renewal process - Eric has activated 2017 renewal on website. Ends in July. 2018 starts in November.

Kids Run - all was smooth for week one. I enjoyed with my sons. Can we have a 45 year old age group? Just kidding.

Path 5k - 1st Saturday in September. Tod will provide more details.

Stepping Stones organization - requested a donation. Unable to discuss for a vote. We suggest further direction based on our mission statement.

Discussion needed to assess RTW and CTW future.

Newsletter discussion

Jr high running program - there may be opportunity due to some non contact days if IESA. Coaches may have apprehension of too much intensity of summer running. Will be a good discussion.

Board summer hours revaluation suggested
