

Lake Run Club Meeting Minutes February 6, 2018

Present. Tod, Julie, Barb, Kirby, Bill

Julie Miller-Membership. 2018 Membership will be updated shortly, plan to run to the P.O box after the meeting and check for additional memberships.

Tonya-Volunteer Report. Three races have confirmed finish line services. Run For Respect, Miller Park will be using Eric. St.Pats water stop help and clean up crew have been requested.

Barb-Billing update. Have received information from Rachel. Nothing new to report, Mentioned that we will try to automate some of the bill of finish line services.

Heather-PR committee: Newsletter will be going out and asked for additional content.

Upcoming ASE will be held in Merna and in Lexington in the upcoming weeks.

New Business:

RTW and CTW, would like to have promotional items for giveaways, Dawn has been looking at various options and would like to reward those volunteers who have been group leaders for a number of years. Considering things like socks and LRC license plate holders.

Presidents report:

Banquet went well, although we did spend roughly \$7500. Board members voiced looking at cheaper options next year, perhaps catering, live band, possibly Pat Sheridan's band.

For the Bronze circuit winners, versus giving \$20 gift cards, perhaps we can just wave the following years membership, or offer that as an option.

St.Pats 5k will be celebrating 28 years and have changed the date based on fallen Marine's parents being present for the event.

Upcoming ASE will be held in Merna and in Lexington in the upcoming weeks.

Website 2 year renewal is approaching and will be needing a vote to proceed with an upgrade. Postponing until March for a vote, expense will be roughly \$200 a month for upgrades and hosting. Plan to upgrade the site to make it more mobile friendly. Tonya has volunteered to lend a hand with the website, as she has web dev background.

Bill Hahm, Tod and Larry Schumacher have been researching finish line bib options. Plan to discuss more during the March meeting.

Respectfully submitted by Tod Williamson, President
